1.1 Contractor Intellectual Property. Contractor shall retain all right, title and interest in and to any work, ideas, inventions, discoveries, tools, methodology, computer programs, processes and improvements and any other intellectual property, tangible or intangible, that has been created by Contractor prior to entering into this Contract (“Contractor Intellectual Property”). Should the State require a license for the use of Contractor Intellectual Property in connection with the development or use of the items that Contractor is required to deliver to the State under this Contract, including Work Product (“Deliverables”), the Contractor shall grant the State a royalty-free license for such development and use. For the avoidance of doubt, Work Product shall not be deemed to include Contractor Intellectual Property, provided the State shall be granted an irrevocable, perpetual, non-exclusive royalty-free license to use any such Contractor Intellectual Property that is incorporated into Work Product.

1.2 State Intellectual Property. The State shall retain all right, title and interest in and to (i) all content and all property, data and information furnished by or on behalf of the State or any agency, commission or board thereof, and to all information that is created under this Contract, including, but not limited to, all data that is generated under this Contract as a result of the use by Contractor, the State or any third party of any technology systems or knowledge bases that are developed for the State and used by Contractor hereunder, and all other rights, tangible or intangible; and (ii) all State trademarks, trade names, logos and other State identifiers, Internet uniform resource locators, State user name or names, Internet addresses and e-mail addresses obtained or developed pursuant to this Contract (collectively, “State Intellectual Property”).

Contractor shall immediately upon request, unconditionally and irrevocably assign, transfer and convey to the State all right, title and interest therein.

“Work Product” means any tangible or intangible ideas, inventions, improvements, modifications, discoveries, development, customization, configuration, methodologies or processes, designs, models, drawings, photographs, reports, formulas, algorithms, patterns, devices, compilations, databases, computer programs, work of authorship, specifications, operating instructions, procedures manuals or other documentation, technique, know-how, secret, or intellectual property right whatsoever or any interest therein (whether patentable or not patentable or registerable under copyright or similar statutes or subject to analogous protection), that is specifically made, conceived, discovered or reduced to practice by Contractor, either solely or jointly with others, pursuant to this Contract. Work Product does not include Contractor Intellectual Property or third party intellectual property.

To the extent delivered under this Contract, upon full payment to Contractor in accordance with Attachment B, and subject to the terms and conditions contained herein, Contractor hereby (i) assigns to State all rights in and to all Deliverables, except to the extent they include any Contractor Intellectual Property; and (ii) grants to State a perpetual, non-exclusive, irrevocable, royalty-free license to use for State’s internal business purposes, any Contractor Intellectual Property included in the Deliverables in connection with its use of the Deliverables and, subject to the State’s obligations with respect to Confidential Information, authorize others to do the same on the State’s behalf. The Contractor shall not sell or copyright a Deliverable without explicit permission from the State. If the Contractor is operating a system or application on behalf of the State of Vermont, then the Contractor shall not make information entered into the system or application available for uses by any other party than the State of Vermont, without prior authorization by the State. Nothing herein shall entitle the State to pre-existing Contractor Intellectual Property or Contractor Intellectual Property developed outside of this Contract with no assistance from State.

2. CONFIDENTIALITY AND NON-DISCLOSURE; SECURITY BREACH REPORTING

2.1 For purposes of this Contract, confidential information will not include information or material which (a) enters the public domain (other than as a result of a breach of this Contract); (b) was in the receiving party’s possession prior to its receipt from the disclosing party; (c) is independently developed by the receiving party without the use of confidential information; (d) is obtained by the receiving party from a third party under no obligation of confidentiality to the disclosing party; or (e) is not exempt from disclosure under applicable State law.

The State shall immediately notify Contractor of any request made under the Access to Public Records Act, or any request or demand by any court, governmental agency or other person asserting a demand or request for Contractor information. Contractor may, in its discretion, seek an appropriate protective order, or otherwise defend any right it may have to maintain the confidentiality of such information under applicable State law within three business days of the State's receipt of any such request. Contractor agrees that it will not make any claim against the State if the State makes available to the public any information in accordance with the Access to Public Records Act or in response to a binding order from a court or governmental body or agency compelling its production. Contractor shall indemnify the State for any costs or expenses incurred by the State, including, but not limited to, attorneys' fees awarded in accordance with 1 V.S.A. § 320, in connection with any action brought in connection with Contractor's attempts to prevent or unreasonably delay public disclosure of Contractor's information if a final decision of a court of competent jurisdiction determines that the State improperly withheld such information and that the improper withholding was based on Contractor's attempts to prevent public disclosure of Contractor's information.

The State agrees that (a) it will use the Contractor information only as may be necessary in the course of performing duties, receiving services or exercising rights under this Contract; (b) it will provide at a minimum the same care to avoid disclosure or unauthorized use of Contractor information as it provides to protect its own similar confidential and proprietary information; (c) except as required by the Access to Records Act, it will not disclose such information orally or in writing to any third party unless that third party is subject to a written confidentiality agreement that contains restrictions and safeguards at least as restrictive as those contained in this Contract; (d) it will take all reasonable precautions to protect the Contractor's information; and (e) it will not otherwise appropriate such information to its own use or to the use of any other person or entity.

Contractor may affix an appropriate legend to Contractor information that is provided under this Contract to reflect the Contractor's determination that any such information is a trade secret, proprietary information or financial information at time of delivery or disclosure.

2.3 Confidentiality of State Information. In performance of this Contract, and any exhibit or schedule hereunder, the Party acknowledges that certain State Data (as defined below), to which the Contractor may have access may contain individual federal tax information, personal protected health information and other individually identifiable information protected by State or federal law or otherwise exempt from disclosure under the State of Vermont Access to Public Records Act, 1 V.S.A. § 315 et seq ("State Data"). The Contractor agrees that (a) it will use the State Data only as may be necessary in the course of performing duties or exercising rights under this Contract; (b) it will provide at a minimum the same care to avoid disclosure or unauthorized use of State Data as it provides to protect its own similar confidential and proprietary information; (c) it will not publish, reproduce, or otherwise divulge any State Data in whole or in part, in any manner or form orally or in writing to any third party unless it has received written approval from the State and that third party is subject to a written confidentiality agreement that contains restrictions and safeguards at least as restrictive as those contained in this Contract; (d) it will take all reasonable precautions to protect the State's information; and (e) it will not otherwise appropriate such information to its own use or to the use of any other person or entity. Contractor will take reasonable measures as are necessary to restrict access to State Data in the Contractor's possession to only those employees on its staff who must have the information on a "need to know" basis. The Contractor shall not retain any State Data except to the extent required to perform the services under this Contract.

Contractor shall not access State user accounts or State Data, except in the course of data center operations, response to service or technical issues, as required by the express terms of this Contract, or at State's written request.

Contractor may not share State Data with its parent company or other affiliate without State's express written consent.

The Contractor shall promptly notify the State of any request or demand by any court, governmental agency or other person asserting a demand or request for State Data to which the Contractor or any third party hosting service of the Contractor may have access, so that the State may seek an appropriate protective order.

3. SECURITY OF STATE INFORMATION.

In accordance with Section 9 V.S.A. §2435(b)(3), the Contractor shall notify the Office of the Attorney General, or, if applicable, Vermont Department of Financial Regulation (“DFR”), within fourteen (14) business days of the Contractor’s discovery of the Security Breach. The notice shall provide a preliminary description of the breach. The foregoing notice requirement shall be included in the subcontracts of any of Contractor’s subcontractors, affiliates or agents which may be “data collectors” hereunder.

The Contractor agrees to fully cooperate with the State and assume responsibility at its own expense for the following, to be determined in the sole discretion of the State: (i) notice to affected consumers if the State determines it to be appropriate under the circumstances of any particular Security Breach, in a form recommended by the AGO; and (ii) investigation and remediation associated with a Security Breach, including but not limited to, outside investigation, forensics, counsel, crisis management and credit monitoring, in the sole determination of the State.

beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *Electronic PHI*, and be provided to Covered Entity upon request;

d) Report in writing to Covered Entity any *Successful Security Incident* or *Targeted Unsuccessful Security Incident* as soon as it becomes aware of such incident and in no event later than five (5) business days after such awareness. Such *Report* shall be timely made notwithstanding the fact that little information may be known at the time of the *Report* and need only include such information then available;

e) Following such *Report*, provide Covered Entity with the information necessary for Covered Entity to investigate any such incident; and

5.3 *Business Associate* shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

6. **Reporting and Documenting Breaches.**

6.1 *Business Associate* shall *Report* to Covered Entity any *Breach* of Unsecured *PHI* as soon as it, or any Person to whom *PHI* is disclosed under this Agreement, becomes aware of any such *Breach*, and in no event later than five (5) business days after such awareness, except when a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security. Such *Report* shall be timely made notwithstanding the fact that little information may be known at the time of the *Report* and need only include such information then available.

6.2 Following the *Report* described in 6.1, *Business Associate* shall conduct a risk assessment and provide it to Covered Entity with a summary of the event. *Business Associate* shall provide Covered Entity with the names of any *Individual* whose Unsecured *PHI* has been, or is reasonably believed to have been, the subject of the *Breach* and any other available information that is required to be given to the affected *Individual*, as set forth in 45 CFR § 164.404(c). Upon request by Covered Entity, *Business Associate* shall provide information necessary for Covered Entity to investigate the impermissible Use or Disclosure. *Business Associate* shall continue to provide to Covered Entity information concerning the *Breach* as it becomes available.

6.3 When *Business Associate* determines that an impermissible acquisition, Access, Use or Disclosure of *PHI* for which it is responsible is not a *Breach*, and therefore does not necessitate notice to the impacted *Individual*, it shall document its assessment of risk, conducted as set forth in 45 CFR § 402(2). *Business Associate* shall make its risk assessment available to Covered Entity upon request. It shall include 1) the name of the person making the assessment, 2) a brief summary of the facts, and 3) a brief statement of

the reasons supporting the determination of low probability that the *PHI* had been compromised.

7. **Mitigation and Corrective Action.** *Business Associate* shall mitigate, to the extent practicable, any harmful effect that is known to it of an impermissible Use or Disclosure of *PHI*, even if the impermissible Use or Disclosure does not constitute a *Breach*. *Business Associate* shall draft and carry out a plan of corrective action to address any incident of impermissible Use or Disclosure of *PHI*. *Business Associate* shall make its mitigation and corrective action plans available to Covered Entity upon request.

8. **Providing Notice of Breaches.**

When so requested, *Business Associate* shall consult with Covered Entity about the timeliness, content and method of notice, and shall receive Covered Entity's approval concerning these elements. *Business Associate* shall be responsible for the cost of notice and related remedies.

8.2 The notice to affected *Individuals* shall be provided as soon as reasonably possible and in no case later than sixty (60) calendar days after *Business Associate* reported the *Breach* to Covered Entity.

8.3 The notice to affected *Individuals* shall be written in plain language and shall include, to the extent possible: 1) a brief description of what happened; 2) a description of the types of Unsecured *PHI* that were involved in the *Breach*; 3) any steps *Individuals* can take to protect themselves from potential harm resulting from the *Breach*; 4) a brief description of what the *Business Associate* is doing to investigate the *Breach* to mitigate harm to *Individuals* and to protect against further *Breaches*; and 5) contact procedures for *Individuals* to ask questions or obtain additional information, as set forth in 45 CFR § 164.404(c).

8.4 *Business Associate* shall notify *Individuals* of *Breaches* as specified in 45 CFR § 164.404(d) (methods of *Individual* notice). In addition, when a *Breach* involves more than 500 residents of Vermont, *Business Associate* shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

9. **Agreements with Subcontractors.** *Business Associate* shall enter into a Business Associate Agreement with any *Subcontractor* to whom it provides *PHI* to require compliance with HIPAA and to ensure *Business Associate* and *Subcontractor* comply with the terms and conditions of this Agreement. *Business Associate* must enter into such written agreement before any Use by or Disclosure of *PHI* to such *Subcontractor*. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *PHI*. *Business Associate* shall provide a copy of the written agreement it enters into with a *Subcontractor* to Covered Entity upon request. *Business Associate* may not make any Disclosure of *PHI* to any *Subcontractor* without prior written consent of Covered Entity.

10. Access to PHI. *Business Associate* shall provide access to *PHI* in a Designated Record Set to Covered Entity or as directed by Covered Entity to an *Individual* to meet the requirements under 45 CFR § 164.524. *Business Associate* shall provide such access in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for Access to *PHI* that *Business Associate* directly receives from an *Individual*.

11. Amendment of PHI. *Business Associate* shall make any amendments to *PHI* in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526, whether at the request of Covered Entity or an *Individual*. *Business Associate* shall make such amendments in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any request for amendment to *PHI* that *Business Associate* directly receives from an *Individual*.

12. Accounting of Disclosures. *Business Associate* shall document Disclosures of *PHI* and all information related to such Disclosures as would be required for Covered Entity to respond to a request by an *Individual* for an accounting of disclosures of *PHI* in accordance with 45 CFR § 164.528. *Business Associate* shall provide such information to Covered Entity or as directed by Covered Entity to an *Individual*, to permit Covered Entity to respond to an accounting request. *Business Associate* shall provide such information in the time and manner reasonably designated by Covered Entity. Within five (5) business days, *Business Associate* shall forward to Covered Entity for handling any accounting request that *Business Associate* directly receives from an *Individual*.

13. Books and Records. Subject to the attorney-client and other applicable legal privileges, *Business Associate* shall make its internal practices, books, and records (including policies and procedures and *PHI*) relating to the Use and Disclosure of *PHI* available to the Secretary of Health and Human Services (HHS) in the time and manner designated by the Secretary. *Business Associate* shall make the same information available to Covered Entity, upon Covered Entity's request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether *Business Associate* is in compliance with this Agreement.

14. Termination.

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all the *PHI* is destroyed or returned to Covered Entity subject to Section 18.8.

14.2 If *Business Associate* fails to comply with any material term of this Agreement, Covered Entity may provide an opportunity for *Business Associate* to cure. If *Business Associate* does not cure within the time specified by Covered Entity or if Covered Entity believes that cure is not reasonably possible, Covered Entity may immediately terminate the Contract or Grant without incurring liability or penalty for such termination. If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. Covered Entity has the right to seek to cure such failure by *Business Associate*.

Regardless of whether Covered Entity cures, it retains any right or remedy available at law, in equity, or under the Contract or Grant and *Business Associate* retains its responsibility for such failure.

15. Return/Destruction of PHI.

15.1 *Business Associate* in connection with the expiration or termination of the Contract or Grant shall return or destroy, at the discretion of the Covered Entity, *PHI* that *Business Associate* still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. *Business Associate* shall not retain any copies of *PHI*. *Business Associate* shall certify in writing and report to Covered Entity (1) when all *PHI* has been returned or destroyed and (2) that *Business Associate* does not continue to maintain any *PHI*. *Business Associate* is to provide this certification during this thirty (30) day period.

15.2 *Business Associate* shall report to Covered Entity any conditions that *Business Associate* believes make the return or destruction of *PHI* infeasible. *Business Associate* shall extend the protections of this Agreement to such *PHI* and limit further Uses and Disclosures to those purposes that make the return or destruction infeasible for so long as *Business Associate* maintains such *PHI*.

16. Penalties. *Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

17. Training. *Business Associate* understands its obligation to comply with the law and shall provide appropriate training and education to ensure compliance with this Agreement. If requested by Covered Entity, *Business Associate* shall participate in Covered Entity's training regarding the Use, Confidentiality, and Security of *PHI*; however, participation in such training shall not supplant nor relieve *Business Associate* of its obligations under this Agreement to independently assure compliance with the law and this Agreement.

18. Miscellaneous.

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract or Grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the Contract or Grant continue in effect.

18.2 Each party shall cooperate with the other party to amend this Agreement from time to time as is necessary for such party to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA. This Agreement may not be amended, except by a writing signed by all parties hereto.

18.5 *Business Associate* shall not have or claim any ownership of *PHI*.

18.6 *Business Associate* shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which *Business Associate* may not be a “*Business Associate*” of Covered Entity under the Privacy Rule.

18.7 *Business Associate* is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual’s PHI*. *Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. *Reports* or data containing *PHI* may not be sold without Covered Entity’s or the affected Individual’s written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.

Party further shall comply with the non-discrimination requirements of Title VI of the Civil Rights Act of 1964, 42 USC Section 2000d, et seq., and with the federal guidelines promulgated pursuant to Executive Order 13166 of 2000, requiring that contractors and subcontractors receiving federal funds assure that persons with limited English proficiency can meaningfully access services. To the extent Party provides assistance to individuals with limited English proficiency through the use of oral or written translation or interpretive services, such individuals cannot be required to pay for such services.

6. **Employees and Independent Contractors:**

Party agrees that it shall comply with the laws of the State of Vermont with respect to the appropriate classification of its workers and service providers as “employees” and “independent contractors” for all purposes, to include for purposes related to unemployment compensation insurance and workers compensation coverage, and proper payment and reporting of wages. The federal Pro-Children Act of 1994, however, does not apply to portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where Women, Infants, & Children (WIC) coupons are redeemed.

2-1-1 Database: If Party provides health or human services within Vermont, or if Party provides such services near the Vermont border readily accessible to residents of Vermont, Party shall adhere to the "Inclusion/Exclusion" policy of Vermont's United Way/Vermont 211 (Vermont 211), and will provide to Vermont 211 relevant descriptive information regarding its agency, programs and/or contact information as well as accurate and up to date information to its database as requested.
